Australia Awards Pakistan: Documents Checklist

Tick each item as you gather it. Upload colour scans in single PDFs by category to OASIS, using your full legal name exactly as printed on your passport.

- [ ] Degree certificates and transcripts, both sides, clearly scanned
- [ ] Updated CV focused on professional and development work, with dates and duties
- [ ] Academic IELTS 6.5 overall with no band below 6.0, or the TOEFL or PTE equivalent
- [ ] Academic and employment referee reports, from people who know your work
- [ ] Development Impact and Linkages Plan on the official template
- [ ] No Objection Certificate if you are a government employee, filed early
- [ ] Passport copy, with your full legal name used exactly as printed
- [ ] HEC attestation of degrees, sorted before the enrolment rush

Rules that save most applicants

1. Five years of relevant work experience in Pakistan is a hard rule, not a preference.
2. A vague Development Impact and Linkages Plan is the most common reason strong profiles are rejected.
3. Submit days early. OASIS closes at the published time and late applications are not considered.
