Eiffel Excellence Scholarship, France

Required documents checklist. 2027 call. Universities submit files to Campus France by 6 January 2027. Your real deadline is your university internal date.

- [ ] **Academic transcripts and degree certificates**
  with certified French or English translations where needed
- [ ] **CV in a clean European format, one or two pages at most**
- [ ] **Motivation letter addressed to the French programme**
  name the lab, the professor and the courses you want
- [ ] **Research proposal for PhD applicants, written for the lab you want to join**
- [ ] **Proof of language proficiency in the language of instruction**
- [ ] **Passport copy**
- [ ] **Recommendation letters if your target university asks for them**
- [ ] **The university internal deadline, the contact name and the email address, written**
  down in one place

Only a French university can submit your file. Ask it for its internal deadline first.
