Check every name, CNIC digit and income figure against your real documents.

Scan it with a scanner app. The file must be JPG or PNG and under 200 KB.

On the portal, open the Documents section, choose the file, then click Click to Upload Affidavit.

Wait for the message Image Upload Successfully. Choosing the file alone does not upload it.

The income figure here must match the income figure on your portal form exactly.

Stamp value: the portal FAQ, as reported by guides that read it, says the affidavit goes on e stamp paper of at least Rs 50, and most students buy a Rs 100 e stamp. Confirm the value on the official portal sample when the next round opens and ask your stamp vendor before you pay.

Phase IV closed on 9 November 2026. This sample is prepared for the next round.
